NOV 30 2000
TC 3700 MAIL ROOM

IN THE CLAIMS

Please amend claim 48, as follows:

48. (Amended) A device for controlling and displaying each player's progress in an auxiliary incentive game played simultaneously with a principal or primary casino table game directed by a dealer or croupier and played on a gaming table, the auxiliary game involving each player receiving bonus points during the course of playing the primary game and each player being eligible to receive a prize only after accumulating a predetermined number of bonus points, said device comprising:
